

**A NOTE FROM PASTOR CRAIG**

Hey C-Fam!

What a year 2020 was for us as a life-giving church! We went from in person services only, to online only, and then both, with a live-stream! We are now reaching people, bringing them into full life in Christ, inside the building and around the world at the same time. Amazing!!

While this past year was filled with the fear and uncertainty of a world-wide pandemic, social unrest/injustice, political tension and financial rollercoaster rides, Crossroads gave more to outreach than ever before. Can someone give Him praise?

It is just like God to take bad situations and turn them for good. He did that for us as a church, and I'm believing He is doing the same in your life right now.

Please join me in giving all praise to God as you look over this report and see what the Lord has done in and through us in 2020.

The best is yet to come!

Pastor Craig
