

Hey C-Fam!

This Easter we have the opportunity to once again touch our community in a new way. There is a new ministry called Way Maker that is a faith-based, Jesus-centered, home for men that features a 12 Step Program for recovery from addictive behaviors. This ministry has the men seek fulltime employment, attend Bible studies and work the 12 Steps while residing at the home. It is more than just a sober-living home or halfway house. Way Maker is a community of resources and guidance for those who are ready for freedom from the chains of addiction.

I need your help to do something this Easter, that will help bring the resurrected full life in Jesus to men who need it desperately in Hendricks County. I'm asking you to join me in giving a generous, over and above Easter Way Maker Offering in the next couple of weeks. Our goal is to give this offering to Way Maker prior to Easter and report about it on that Sunday. Won't it be incredible to hear a report like this on Easter?

Our goal for this offering is at least \$10,000, and every dollar you give will be matched. So, we're hoping to present Way Maker with at least \$20,000 to help their mission. They are going to be blown away! I know this may be a tough time to give for some, yet for others it may be a great time of the year to be extra generous. Please, just pray about it, and do what the Lord lays on your heart to give. Gifts need to be received by April 1, 2021.

Thank you for helping us to continue to be a force for good in this community. By coming alongside community partners, we are able to do more than we could on our own.

This Easter is going to be amazing! Lives are going to be changed at three locations, with three services, and online. Literally, thousands of lives can be touched because of your generosity and desire to make a difference. I am blessed to be your pastor.

You are loved,
Pastor Craig
