

# LIFE BUILDERS

2023-2024

The need has ***never***  
been more pressing.

*Pastor Craig White*

# So that *all* may hear

Jesus Christ said while on earth, "Go into all the world and preach the gospel to all creation. Whoever believes and is baptized will be saved." (Mark 16:15-16)

Our Lead Pastors, Craig & Rachelle White, remind us to live with "an open hand and an open heart" and when we do, the Kingdom of God is expanded.

The Bible tells us that Jesus came to seek and save the lost. He gave up his life so that we might be rescued, and that there is no greater love than this. He asks us not to hold back in our own sacrifice for the Kingdom.

Everything we do today is about building His church locally and around the world, and wherever the church is needed most, LifeBuilders is going there.

# CROSSROADS

# WE ARE LIFE BUILDERS

## WHAT IS LIFE BUILDERS?

Life Builders are a group of fully committed individuals and families who prayerfully commit to give, over and above the tithe.

## HOW CAN I GIVE TO LIFE BUILDERS?

You can give by making a donation designated to Life Builders on our website, app, or in a weekend service offering.

## HOW ELSE CAN I BE INVOLVED?

Sign up to pray for Life Builders and receive updates through our app, website, or by emailing [info@welcometocrossroads.org](mailto:info@welcometocrossroads.org)

# CROSSROADS PROJECTS

## Continued Improvement of Our Facilities

Our facility is beautiful, but there are still so many things we would love to improve and make better. As we continue to expand, we will need to improve our lobby, lighting, and sound experiences.

## Livestream Improvements

We have seen thousands of people visit our church for the first time through our livestream, and hundreds have committed their lives to Christ as a result of what they experienced. We want to continue to expand our online ministry as a way to reach our community.

# NEXT GENERATION IMPACT

## Youth Auditorium Updates

As our student and kids ministries continue to grow, we need to keep updating the functionality of the Youth Auditorium. This space will need tech upgrades, storage renovation, and new furniture and game stations.

## CSM/CRK Missions

Both Crossroads Students and Crossroads Kids raise money for missions. These funds are donated to missions organizations *Speed the Light* and *BGMC*. Crossroads commits to match what our kids and students raise for missions as a way to foster a spirit of generosity in the next generation. Not only that, but CSM will be participating in an At Home mission trip this year. Funds will help offset trip costs for students.

## The Well - Young Adults

Many times those in the 18-30 age group feel lonely and disconnected. The Well was created to be a space where young adults can find freedom and healing through worship services, small groups, and retreats. This lane funds invite night tools, The Well Retreat, and curriculum for small groups and messages.

## Student Camp Scholarships

Each year, Crossroads sends hundreds of students to events like Summer Camp and Winter Retreat. Through Life Builders, we are able to cut the cost so that any student who wants to go, has the opportunity to go to one of the most influential weeks of their life.

# LOCAL AND NATIONAL MISSIONS

## **Sheltering Wings**

Sheltering Wings provides emergency housing for survivors escaping domestic abuse. They build stable and independent lives through essential programs offered in a supportive and Christ-centered environment.

## **Lifeline Christian Mission**

Lifeline focuses on providing access to basic Christian education, increasing availability of affordable quality health care, expanding economic opportunities, and sharing God's message of love and hope.

## **Life Centers**

The mission of Life Centers is to affirm the value of life by providing a network of care to those experiencing pregnancy-related decisions and by compassionately presenting biblical truth resulting in changed lives to the glory of God.

## **Serve Day + Giving Hope Christmas Store**

Two of the most important events at Crossroads each year are our Summer Serve Day and our annual Giving Hope Christmas Store. Serve Day enables us to make a difference in accomplishing projects for our community partners that they may need help with. The Giving Hope Christmas Store is our opportunity to show the love of Jesus to hundreds of families in need in our community by providing them with free Christmas gifts.

# GLOBAL MISSIONS

## Monthly Missionary Support

Crossroads supports over 20 missionaries every month in places like China, Africa, India, and more! Through Life Builders, we are able to continue our monthly support, and increase it by adding new missionaries across the world and increasing the amount given to our current missionaries.

## Stone Table - Cambodia Train Up Children's Home

The Cambodia Train Up Children's Home was given a mandatory notice to vacate their property of 30 years with no place to go. In addition to the vision of a new children's home, this will be a community outreach learning center to further establish the Church in Cambodia. This project will consist of buying land and building children's dorms, offices, and classrooms.

## Stone Table - 100 New Campus Ministries in Indonesia

Reach the campus, change the nation. The future leaders of the country are in the classroom now. Over the past four years we've started 60 local church-based campus ministries. We're looking to plant 100 new campus churches.
